Objective: *Seeking a position to gain knowledge and more experience in a fast-paced environment, where I will have the opportunity to grow professionally. I love a job that challenges me daily and allows me to provide a service.*

EXPERIENCE

AUGUST 2025- CURRENT

ANIMAL CARE ASSISTANT, PET RESOURCE CENTER

I ensure the well-being and health of animals through daily tasks such as feeding, cleaning enclosures, monitoring, grooming, and exercising. I also provide direct support to veterinarians by assisting with basic procedures, maintaining records, and performing vital checks for animals in post-sedation care. Additionally, I am responsible for preparing and cleaning surgical instruments.

DECEMBER 2024 – AUGUST 2025

BARTENDER, LOWER DECK

To provide a memorable experience with exceptional service. The job entails receiving orders from guests and waitstaff and preparing and serving liquor, mixed drinks, wine, beer, and nonalcoholic beverages. Using extensive knowledge of drinks and interpersonal skills and focus on customer satisfaction. As well as safely and legally selling alcohol to customers of legal drinking age by checking valid forms of IDs, preparing fruit and garnishing for an efficient shift, and maintaining a clean and organized bar.

DECEMBER 2023 – DECEMBER 2024

BARTENDER/ SERVER, TRUE FOOD KITCHEN

to create a comfortable, welcoming environment for guests, knowing the differences between service and hospitality, build relationships with guests, preparing unique signature cocktails, prepping and making all in-house juices, and brewing lattes. be knowledgeable about wine, beer, and the ingredients of common cocktails.

MARCH 2022 – DECEMBER 2023

SERVER, BONEFISH GRILL

Greeting customers and providing a welcoming dining experience. Help guide customers through our menu and ways to enhance their experience by adding a dessert of wine that compliments the food. When necessary, help coworkers with tables or side work to help keep the restaurant running in a smooth, fast-paced atmosphere. As well as answering phone calls that may protein questions regarding our hours of operation, menu, or dining experience.

JUNE 2021 – JANUARY 2022

ENRICHMENT SPECIALIST AND RUNNER, CENTRAL BARK

Greeting customers and bringing dogs into the kennel area and Tracking dog attendance. Interact with dogs in playgroups using appropriate toys and tools to ensure safe levels of play and minimize stress levels of all dogs in the play yard. Use proper dog-handling techniques as instructed by management. Complete general cleaning duties as posted or assigned. As an opener, take boarders outside and Log dogs' appetite, thirst, and potty normalcy, and administer medical needs to dogs when necessary

JANUARY 2019 – MARCH 2022

SERVER/BARTENDER, LONGHORN STEAKHOUSE

Help patrons select food and beverages by presenting the menu; offering cocktails; suggesting courses; identifying appropriate wines; and answering food preparation questions. As well as memorizing drink orders, cocktail ingredients, or the names of popular craft beers

Transmit orders to the bar and kitchen by recording patrons' choices and identifying patrons' special dietary needs and special requests. Respond to additional patron requirements by inquiring about needs, and observing the dining process.

VOLUNTEER

MARCH 2019 – JULY 2019, JULY 2025 – CURRENT

ENRICHMENT VOLUNTEER, PET RESOURCE CENTER

Exercise animals or provide them with companionship, as well as observe animals' physical conditions to detect illness or unhealthy conditions and reinforce good behavior with treats to help with adoptions. For enrichment, I would give toys, and Kong's to all dogs that were allowed to help relieve stress. For cat adoptions, I demonstrated friendly customer service by answering customer inquiries for cat adoptions. Currently helping in veterinary services with surgical instrument prep and helping with feeding.

AUGUST 2024– CURRENT

VOLUNTEER, TAMPA BAY RAPTURE RESCUE

Hands-on experience in raptor care and rehabilitation. Assisting in medical examinations, including handling birds of prey, observing diagnostic procedures, and administering medications. Learning different avian species, their anatomy, and common injuries. Responsibilities also entail feeding, cleaning enclosures, and holding and weighing avians. Participated in educational outreach, helping visitors with information about raptors.
