Dear Hiring Manager,
I am excited to apply for the Bartender position with your establishment. With 2 years of professional bartending experience and 11 years of experience as a server in breakfast, upscale dining, and sports bar environments, I bring a strong combination of beverage knowledge, customer service, and the ability to thrive in fast-paced settings.
I have also graduated twice from bartending school, completing programs at both America Bartending School and Florida Bartending School. This training, combined with my hands-on experience, has given me a solid understanding of cocktail preparation, responsible alcohol service, bar organization, and providing guests with an enjoyable experience.
Throughout my 11 years in the service industry, I have worked with a wide variety of guests and learned how to provide attentive, professional service while maintaining a positive attitude under pressure. My experience in upscale restaurants has taught me the importance of professionalism and attention to detail, while my experience in breakfast and sports bar environments has strengthened my ability to work efficiently and handle busy shifts.
I am dependable, hardworking, personable, and passionate about hospitality. I would appreciate the opportunity to bring my experience and enthusiasm to your team and contribute to creating a great experience for every guest.
Thank you for your time and consideration. I look forward to the opportunity to discuss how my experience and skills can benefit your establishment.
Best Regards
