GAVIN CURFISS

CFI/CFII/MEI & CSEL/CMEL (FIRST CLASS MEDICAL)

I am an experienced industrial engineer that has achieved a life-long dream of becoming a professional pilot. As a CFII/MEI, I am committed to safety, precision, and continuous improvement. I bring a safety-first mindset to every flight while also professionally developing both myself and my students as pilots. I look forward to new opportunities to grow as a pilot.

FLIGHT TIME

- **Total Time: 613**
- PIC: 520
- XC: 295
- Dual Given: 325
