President's Message

Dear Members,

As we start a new season at Palm Beach Watercolor Society, I would like to welcome all of our Life Time, new and renewing members. It is such a good feeling to see that so many of you have already joined or renewed your membership. We need you to volunteer to help with all that we do for you.

At our December meeting we are having a holiday party at the Boca Community Center. We need volunteers to help our Refreshment Chair, Mac Johnson. Please contact him at jbjohnson@bellsouth.net to let Mac know how you can help.

All of our shows have receptions. Everyone is welcome to make these a great social event. It's a time to look at all the paintings and meet your fellow artists. As we let you know the dates of these events mark your calendars so you can join us in celebrating our members.

The workshops and Paint Ins are also a good way to meet your fellow artists.

Right now I am living in a glorious wonderland of color. Mother Nature has outdone herself up in the Catskill mountains this year. I am looking forward to getting back to Florida and seeing those of you who are there.

If you are not in Florida, remember that we have all of our monthly meetings on Zoom. Please try to attend as many as you can.

Read this Newsletter! It has a lot of important information for you.

Happy Painting,
Adrienne Walker, PBWS

MEET OUR NOVEMBER DEMO ARTIST

PBWS Member Meeting November 12th, 2026 on Zoom.

Marie Natale

Marie Natale started painting at the age of twelve encouraged by a teacher who recognized her early potential. Marie developed her talent through high school then went on to receive a Masters degree in Art Education from Rowan University. Thus, began a lifelong love affair with creativity and art, which has manifested in a variety of achievements.

An early advocate of art education for children of all ages, Marie taught in the public school system for ten years, and won the acclaimed "Teacher of the Year Award".
Marie is also a businesswoman who founded Paw Togs/Enchanted Beginnings, a designer clothing line for infants and children. Palm Beach Watercolor Society presents

TIPS AND TRICKS FOR BETTER FIGURE DRAWING

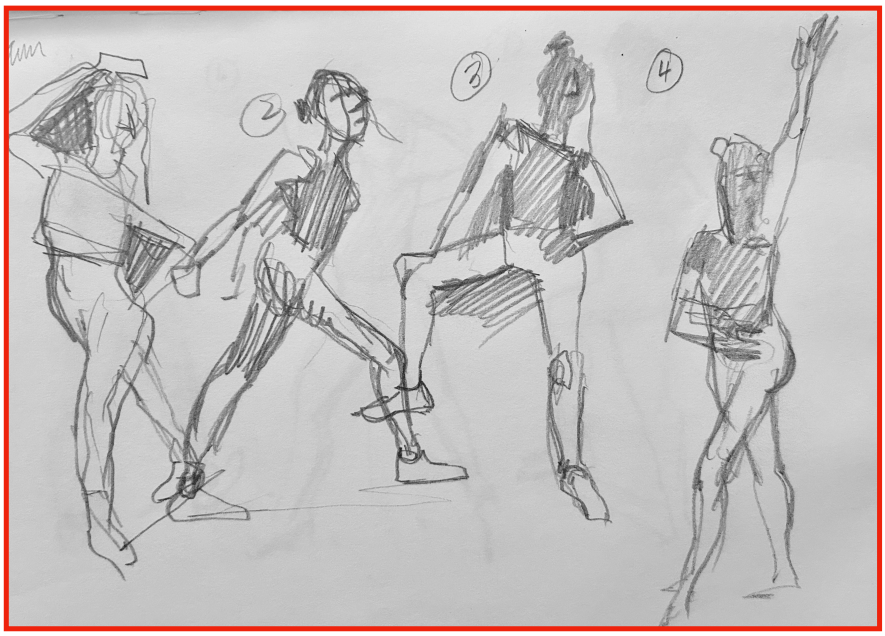

A Two-Part Zoom Workshop with Anita Lovitt

Each 3-hour Session: $85. Members, $135. Non-members.

Part 1: Monday, November 9, 2026. 10 am -1 pm

Part 2: Monday, January 11, 2027. 10 am -1 pm

Anita Lovitt graduated from Philadelphia College of Art. She worked for many as an illustrator and her favorite medium is watercolor.

- **Head too large?**
- **Body masses not right?**
- **Hands and feet—how?**
- **Landmarks on body?**
- **Foreshortening?**

Good questions to ask!
And this workshop will address them!

In this 2-part workshop, you will learn basic guidelines to help you observe and draw the model, using quick poses of 2, 5, and 10 minutes. Anita will point out structures on a live model and participants then will practice identifying them in their drawings. Topics will include: major body masses, including the head; angles of shoulders and hips; active and passive sides of the body; using the relationship of the feet to position the legs; using negative space to create outlines of the body. Anita will also touch on underlying bones and muscles and what to look for when identifying them, including foreshortening.

Supplies: Anita likes to use jumbo 6B water-soluble graphic pencils on smooth paper, but you may use whatever medium feels best to you.

You do not have to have taken Part 1 to take Part 2. Videos will be available to those who attend or may be purchased by those who did not attend.

To register, please go to Palm Beach Water Color Website or use the quick links below.

Location: To be announced

$225. for Members $275. for Non-Members

Meet Paula Fontana / GraylingHome; Artist, Designer, Instructor

"I describe myself as an artist, a designer, an art instructor — but if I'm being honest, creator is the word that fits best.

Thirty years in, I'm still creating — fueled by a love for making, for turning a blank canvas into something. I came up through the graphic arts — creative director in editorial and e-commerce, contributing to beauty and home magazines, building brands and teams from the ground up. Pixel-perfect was my daily language for decades.

After years in the digital space, a return to hands-on making — printmaking, color, form, paint, canvas — reignited everything. That became GraylingHome.

Today my work blends abstract minimalism with organic shapes, layered monotype prints, bold linework, collage with painted paper, and whimsical, abstracted figures. I find pattern everywhere — working with both the negative and the positive space.

My art has been selected to represent the City of Boca Raton in public festivals and events, and I'm a Plunge Into The Arts Alumni Artist. I now teach workshops at the Creative Arts School in Delray Beach and the Boca Raton Museum of Art — my workshops are as much about slowing down and reconnecting as they are about technique.

I'm still exploring, reaching for the next color combination, the next layer, the next idea that surprises me."

I was once you. So I built the class I never got.

I was once you — seeking and searching for teachers, classes, workshops, books, anyone, anywhere to help me find myself in this incredible medium.Sometimes I was elated by what happened in a class, but mostly it led to disappointment. There were always pearls worth holding onto.

It was from that very frustration that I created my own classes — based on what I needed as a student and didn't get. I took the very best of those opportunities and built workshops with an array of techniques for more successes when painting in watercolor.

You may not know me, but I know you.As a student, I understand what you wish to get from a workshop. As a teacher, I know how to deliver it.

Join me for an amazing two-day workshop, filled with the best of the best — tangible, and meant to be adapted to your own work.

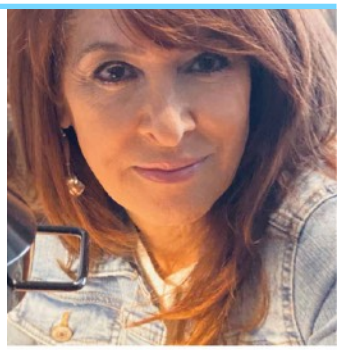

A culmination of everything that actually works.

These techniques I've discovered and utilize in every class and workshop that will help you adapt into your own practice and style. You will receive my reference photo and my contour drawing in advance - so we spend our time painting, not setting up.

01 Basic supply setup
02 Color wheel — analogous & complementary colors
03 Why paintings get muddy and how to avoid it
04 Color temperature — light & shadow
05 The two magic ingredients of watercolor
06 Soft & hard edges — where, and why
07 Developing your impact area
08 Composition made easy
09 Correction techniques
10 Blossoms, drips & splatters — embraced
